E-Commerce Solutions

# Complete Solutions for Every Aspect

Inefficient e-commerce processes can impact customer satisfaction and,

Datalogic offers four scalable, configurable solutions to automate every aspect of the e-commerce life cycle: identification hardware and FAST suite software integrated with 3rd party equipment and services, and a team to develop, integrate, install and support the e-commerce solution you need.

## FULFILLMENT SOLUTIONS ▾

### PUT-TO-LIGHT SYSTEM

Fill more orders faster and more accurately with Datalogic's Put-to-Light Order System, a semi-automated order fulfillment solution for sortation of batch-picked product into individual orders via data-driven, light-directed technology.

- Improve efficiency by picking products in batches and full cases
- Confirm products picked are required for each order
- Sort products using easy-to-see displays featuring product type and quantity needed
- Reduce labor in both pick and pack operations
- Improve accuracy through data-driven sortation

Automated in-motion labeling

Comprehensive automated sortation control

Datalogic's Flexible Automation Solutions have been used by leading retailers around the world for more than 20 years and are a key component of e-commerce fulfillment.

### AUTOMATED SORTING SYSTEM

Datalogic's Sort-to-Order system leverages the efficiency of batch and full case picking with fully automated item sortation in a solution perfect for businesses with large numbers of orders and/or orders with large quantities of similar product.

- Flexible, modular, high-density design maximizes available space
- Process orders simultaneously in waves of up to a hundred or more orders
- Fully-automated sortation virtually eliminates the costly rework associated with picking errors and manual sortation
- Ideal for handling jewelry, cosmetics, pharmaceuticals and other small items

# ect of the E-Commerce Life Cycle

have costly effects on your resources,  
ultimately, your bottom line.

cle - from sorting to manifesting to shipping. With a combination of our own industry-leading automatic  
a nationwide network of 24/7 technical support Datalogic is uniquely qualified to work with you to design,  
ed to deliver your products to your customers efficiently and accurately.

## SHIPPING SOLUTIONS ✓

### MANIFESTING PACKING STATION
